THREE GENERATIONS ON SAME BILL

Mrs. Barr Admits She is a Grandmother.

That Mrs. Chesley is Her Daughter and Little Miss Chesley Her Grandchild.

Several years ago an elopement took place that fairly turned upside down a quiet little village in Southern Ohio, when Miss Evans, a pretty lass of 16 and Mr. Barr, aged 18, ran away were married in Kentucky and entered the theatrical profession as vaudeville performers.

Some few years later to this union a daughter was born. The child as soon as she was old enough following the footsteps of her parents went upon the stage and in later years was united in marriage to one H. B. Chesley, a noted dramatic actor and for a number of years Mr. and Mrs. Chesley toured and played the best theaters in America.

Later a daughter blessed this union and little Miss Chesley who today is eight years of age is acknowledged by critics to be one of the cleverest child performers on the stage at the present time.

This week the three generations have for the first time in years appeared on the same bill and what is the most peculiar incident of all is that Mr. Chesley & Co., are playing a sketch called "The Third Generation" at the Marion Family Theatre but the sketch in reality describes the other two generations.

Marion people should see the three generations and judge if Mrs. Barr looks like a grandmother. It was by the permission of Mr.

and Mrs. Barr that the above interesting bit of romance was given out for publication. Being elated over being able to appear on the same bill with her daughter and grand-daughter Mrs. Barr says she doesn't care if the Marion people does know she is a grandmother for she is proud of the honor.

LOCAL FIRE PICTURES AT NICKELODIUM.

In addition to the regular program at the Nickelodum on South Main street this week, Manager Beaumont will give his patrons the pictures of the Marion fire department, with runs by the Chicago, Lima and Tiffin departments. ANOTHER LEMON

Bartl Again Fails to Throw His Opponent.

Fred Bartl of this city is not setting Cleveland afire by his work. Last night for the second time this week failed to dispose of his man. The Cleveland Plain Dealer says: "Fred Bartl met another 'tough nut' last night in Tom Volk and consequently lost more money. Volk stayed the fifteen-minute limit with Bartl at the Empire theater last night and therefore was awarded a purse of \$25."

In the afternoon Bartl threw William Suter in seven minutes and forty seconds."

OFFICIALS ARE NOT SATISFIED

With Condition of Local Erie Yards.

SECTIONMAN IS INJURED

Falls on Ice and When Found was Nearly Dead.

Private Ownership of Cars May Cease to be an Advantage to the Coal Companies.

"It seems as though our yards here are not properly laid out. They are strung out for several miles making it almost impossible to conveniently equip them," said an Erie official Thursday morning in conversation. Continuing he said, "We have spent thousands of dollars improving and experimenting here and yet our troubles seem to have just begun. We have too many blockades of freight trains in the west yards which seems to be due to the fact that the yards are not wide enough. The problem here is certainly a perplexing one and is necessitating meetings of the higher officials and yet no definite solutions has been reached."

The official furthermore stated that there would be a meeting of superintendents here next week at which time there will be some arrangements made to relieve the congested condition in the yards.

Tonio Segamius, an Erie Italian sectionman, was painfully injured late last night. Tonio was sailing about three sheets in the wind and was homeward bound to his little home in a box car when he slipped on the ice and fell. When he was found a half hour later by some of his companions, he had a bad gash in his head and was almost frozen to death. He was carried to his home and his fellow countrymen administered the necessary surgical and medical attention.

Leroy Tuttle, general Erie repairman of interlockers, with headquarters at Galion, made an inspection of the two new interlocking plants in the west yards today. He reported them in good condition and recommended some slight improvements.

The Erie and Big Four trains were from one to three hours late today and impatient passengers were quite conspicuous about the union depot all day.

A meeting of the Central Freight association was held in Chicago yesterday for the purpose of discussing the coal freight rates. So far as is known no definite changes were made.

Private ownership of railroad cars in Ohio will cease to be an advantage to coal companies if a ruling made by state railway commission is sustained by the courts.

The commission held that where a private coal company owns cars and uses them exclusively for their own shipments, to the detriment of smaller concerns, which the company is unable to furnish cars sufficient to handle their business, all such private cars owned must be apportioned by the railroad to all shippers on the road pro rata. The opinion of the commission was that it was directly against the interests of fair play to permit a condition where a small producer might be cut off completely from the market through no fault of his own, while a competitor who chanced to have money sufficient to buy his own cars was profiting by the inability of the railroad to care for all its consumers.

The infant was taken ill a week ago with bowel trouble which later developed into pneumonia. Funeral services will be held at the residence Friday afternoon at 2 o'clock. Rev. B. C. Platt, officiating. The remains will be interred at Marion cemetery.

NARROW ESCAPE

Had a Skating Party on the Whetstone.

A company of children numbering fifteen narrowly escaped being drowned in the Whetstone river at Caledonia about 5 o'clock Wednesday evening.

The skaters were "cracking the whip" when the ice gave way precipitating them into the water. A group of large boys skating near through heroic efforts rescued the unfortunates.

ROCKEY GETS ON THE WRONG PIKE

Arrested for Driving on the Erie Right-of-Way

A. J. Was Some Drunk and Mayor Gruber Made the Prisoner a Nice Little Present.

A. J. Rockey, a farm hand employed by Harry Kennedy, north of Caledonia was arrested on a drunkenness charge by the Caledonia marshal Wednesday night. Rockey had visited Caledonia for the purpose of taking home a load of coal.

He got the coal all right also a load of "peaches" but when he started home, mistook the Erie railroad track for the pike and went boldly driving up the line. He narrowly escaped being run down by a freight train before discovered.

Mayor Gruber imposed a fine of \$2 and costs, aggregating in totum to \$5.00, Thursday morning and released him.

KHORASSANS ENTERTAIN

With a Most Enjoyable Conclave.

PROGRAM IS RENDERED

At Social Given by Knights of the Maccabees.

The Home Guards Entertained by Recently Installed Officers With a Spaghetti Supper.

The Knights of Khorassan held a conclave in the lodge halls Wednesday evening which proved one of the most delightful meetings of the year. At 8 o'clock, a company of members of the local order together with guests from Galion, Caledonia, Prospect and Kenton, assembled in the lodge halls and a short business session was conducted. A class of six candidates was initiated and other business of a general routine nature was transacted.

At 10 o'clock the guests numbering fifty were escorted to the dining parlors of the Busy Bee where a sumptuous three course supper was served. After the inner man had been satisfied, chairs were pushed back and with Charley Conley presiding as toast master a score of clever toasts were given. The out-of-town guests numbered about fifteen, and they were loud in their praise of the hospitality of the Marion brothers.

A most enjoyable social was the order of the evening at a well attended meeting of the Knights of Maccabees and their ladies held Wednesday evening.

The first part of the evening was given over to an entertaining literary and musical program which was opened with an address of welcome by Commander Ray Doughty. Miss Boyd then rendered a very clever piano solo and was followed by Maunford Brooks who delivered a pleasing declamation.

Mr. and Mrs. William Rousch then rendered a duet and Miss Leah Smith recited an interesting selection. Following a vocal duet by the Misses Boyd and an unusually clever recitation by Sam Smith, and a musical duet by Mr. and Mrs. Rousch, E. B. Main talked most interestingly on the good of the order. The program concluded with a musical number by Mr. and Mrs. Rousch and was followed by a box social and various social amusements.

The meeting was very largely attended and arrangements have been made for holding another social at an early date.

Following the transaction of considerable routine business at the regular meeting of the Home Guards held Wednesday evening, the officers of the order served a spaghetti supper to the seventy-five members present. The Home Guard band also rendered a number of pleasing selections during the evening.

District Deputy T. R. Chevington of Delaware, was present and participated in the general good time which followed the regular work.

Members of the Fraternal Order of Eagles held their regular meeting Wednesday evening and transacted considerable routine business. Two applications for membership were received. The attendance was unusually large.

VOLLEY BALL TEAMS OPEN THE TERM

With a Series of Very Interesting Games.

The Masons Twist the Tiger's Tail and Take Three Straight Games Last Night.

The first games of the newly organized Y. M. C. A. volley ball league were played last night in the Association gymnasium. Great enthusiasm reigned and the twenty-seven business men composing the teams were out en masse and some very interesting contests resulted.

The first games were between the Moguls and Glants and resulted as follows: Moguls, 3, 4, 15. Glants, 1, 15, 4.

In the second contest, the Tigers took three straight games from the Crickets: Scores: Tigers, 15, 15, 15. Crickets, 11, 8, 6.

In the final contest the Stars defeated the Midgets two games out of three: Scores: Midgets—14, 10, 15. Stars, 15, 15, 17.

Probably the most interesting and hotly contested bowling contest of the season was pulled off on the Y. M. C. A. bowling alleys last night.

when the Masons and Tigers teams, which are bitterly contesting for the pennant, clashed. The Tigers were seemingly "off color" and their haughty foes easily defeated them three straight. The contest meant a great deal for both teams. If the Tigers won it, they would have held the first position in the league, and when they lost it, they dropped to second, and the proud Masons mounted to the coveted position.

The Masons all bowled consistently and well earned the victory. However sensational high scores were conspicuous by their absence. Following are the scores:
